Summary

Hello I'm Sjk Sayeed. I am a professional WordPress Developer.

I'm an expert on website development according to your requirements. Such as Business, Blog, News, Ecommerce, Agency, Portfolio websites, etc. In addition, I am working with a web development agency. So I can handle any short and long term projects.

I can do this project-----

Website Design & Customize

Figma to WordPress Website

Develop a WordPress website

WordPress Theme Customization

Landing Page Design

Elementor or Elementor Pro

E-commerce website

Business Website

Payment gateway

Website design

Landing page

LMS website

UI/UX

Shopify

I promise you will get more than your expectations, and I won't stop working until you're not 100% satisfied with what I have accomplished. Let me know if you have any questions! I'm happy to help.
